

## Session 10 - The Sex Talk

### 1 Corinthians 7:1-8

#### EVERY MAN IS CALLED TO A LIFETIME OF SEXUAL PURITY (7:1-2)

Biblically, when it comes to sex you have 2 choices.

1. Do not have sex.
2. Marry a woman and enjoy sex with her.

The Bible uses the words:

- Sexual immorality or fornication to describe the sin of sex outside of marriage.
- Adultery to describe the act of breaking the bond of marriage to have sex with someone to whom you are not married.

#### **Great sex within marriage comes from:**

- MUTUAL SUBMISSION
- ONGOING CONVERSATION
- INTENTIONAL DEVOTION
- AWARENESS OF TEMPTATION

#### **Round Table:**

- If you are able, recite Ephesians 3:20-2.
- Share one of your devotional times from last week.
- What is something about the Biblical view of sex and marriage you wish someone had told you much sooner that would have saved you a lot of heartache?
- Brian talked about how the Bible views sex. Before tonight, how would you describe how the Bible views sex? Positively or negatively?
- Men need to protect the marriage bed and not embarrass their wives (Heb. 13:4), but men also need to be disciplined about Biblical sex. How can we do a better job as men in The Man Church to foster these conversations - to save our sons and to encourage our younger men?
- How does pornography destroy men and marriages?
- How does Christ restore a man who has given himself to pornography?
- What are your takeaways from this session?
