

Walk Like a Man 1 Cor. 11:1-12

Men need to act like men, look like men, behave like men, and lead like men:

As a matter of TRADITION (v. 2)

As a matter of ORGANIZATION (v. 3)

As a matter of DISTINCTION (v. 10)

Round Table:

- Recite your memory verse from this week: 1 Tim. 2:8.
- Share one of your devotional times.
- What are the applications of this passage for:
 - The way we disciple men in The Man Church?
 - The way we disciple our children in The DOCK?
 - The way we raise our children at home?
 - The way we treat our wives?
 - The way we relate to women who are not our wives?
- How is transgenderism challenging the church?
- How have weak minded men who have surrendered their authority and responsibility fanned the flames of sexual confusion in our culture? What needs to change with the men of the church?
- How should the church relate to transgender people? If we see this cultural phenomenon spiritually, it is the work of Satan. If we are threatened by them we will make decisions based on fear. If we see the spiritual deminsion/evil/Satanic confusion will we not have compassion and attack the situation spiritually, with truth? So what's our strategy?
- What are your takeaways from this session?
